Staffing Ratios

The district's child care and development program shall maintain at least the minimum adult-child and teacher-child ratios specified in 5 CCR 18290-18292 based on the ages of the children served.

Enrollment

The district's child care and development services shall be available to infants and children through age 12 years. Individuals with disabilities may be served through age 21 years in accordance with their individualized education program and Education Code 8208. (Education Code 8208, 8263.4)

Children who meet the criteria specified in Education Code 8250 and 8263 shall be eligible for subsidized child care and development services.

Children ages 11-12, except for children with disabilities, shall be eligible for subsidized child care and development services only for the portion of care needed that is not available in a before- or after-school program. Subsidized child care and development services may be provided to a child age 11 or 12 when the parent/guardian certifies, on a form provided by the CDE, that a before- or after-school program is not available. A program may be considered unavailable if: (Education Code 8263.4)

1. The program does not provide services during the hours or days that the child needs services.
2. The program is too geographically distant from the child's school or the parent/guardian's residence.

3. Use of the program would create substantial transportation obstacles for the family.
4. Use of the program is otherwise inappropriate for the child or burdensome on the family.

First priority for enrollment shall be given to neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, upon written referral from a legal, medical, or social services agency. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. (Education Code 8263)

Second priority for enrollment shall be given equally to families who are income eligible, as defined in Education Code 8263.1. Families with the lowest gross monthly income in relation to family size shall be admitted first. If two or more families are in the same priority in relation to income, the family that has a child with disabilities shall be admitted first or, if there is no child with disabilities, the family that has been on the waiting list for the longest time shall be admitted first. (Education Code 8263, 8263.1)

The district's decision to approve or deny services shall be communicated to the family through a written notice mailed or delivered within 30 days from the date the application is signed by the parent/guardian. If services are approved, the notice shall contain the basis of eligibility, daily/hourly fee, if applicable, duration of the eligibility, names of children approved to receive services, and the hours of service approved for each day. If services are denied, the notice shall contain the basis of denial and instructions on how the parents/guardians may request a hearing in accordance with the procedures specified in 5 CCR 18120 and 18121 if they do not agree with the district's decision. (5 CCR 18094, 18118)

After all children eligible for subsidized services have been enrolled, the district may enroll children in accordance with any other priorities established by the Governing Board.

The Superintendent or designee shall maintain a waiting list in accordance with admission priorities and shall contact applicants in order of priority from the waiting list as vacancies occur. (5 CCR 18106)

The Superintendent or designee shall establish and maintain a basic data file for each family receiving child care and development services containing the completed and signed application for services and records used to determine the child's eligibility and need. (5 CCR 18081)

Fees

Except when prohibited by law, the Superintendent or designee may charge fees for services according to the fee schedule established by the Superintendent of Public Instruction, the actual cost of services, or the maximum daily/hourly rate specified in the contract, whichever is least. (Education Code 8250, 8263, 8447; 5 CCR 18108, 18109, 18110)

Families receiving services on the basis of having a child at risk of abuse, neglect, or exploitation may be exempt from these fees for up to three months. Families receiving services on the basis of having a child receiving child protective services, or having a certification by a county child welfare agency that child care services continue to be necessary, may be exempt from these fees for up to 12 months. The cumulative period of exemption from these fees for these families shall not exceed 12 months. (Education Code 8263)

Fees shall be collected prior to providing services and shall be considered delinquent after seven days from the date that fees are due. Parents/guardians shall be notified in the event that fees are delinquent. If a reasonable plan for payment of the delinquent fees has not been provided by the parents/guardians, services shall be terminated if all delinquent fees are not paid within two weeks of such notification.

Parents/guardians shall receive a copy of the district's regulations regarding fee collection at the time of initial enrollment into the program. (5 CCR 18114, 18115)

The Superintendent or designee shall establish a process which includes parents/guardians in determining whether and how much to charge parents/guardians for field trip expenses. This process also shall be used to determine whether to require parents/guardians to provide diapers. (Education Code 8263)

Health Examination

A physical examination and evaluation, including age-appropriate immunization, shall be required prior to or within six weeks of enrollment, unless the parent/guardian submits a letter stating that such examination is contrary to his/her religious beliefs. (Education Code 8263)

(cf. 5141.22 - Infectious Diseases)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

Attendance

Sign-in and sign-out sheets shall be used daily for all children for attendance accounting purposes. Attendance records shall include verification of excused absences, including the child's name, date(s) of absence, specific reason for absence and signature of parent/guardian or district representative. (5 CCR 18065, 18066)

Absences shall be excused for the following reasons:

1. Illness or quarantine of the child or of the parent/guardian (Education Code 8208)
2. Family emergency (Education Code 8208)

A family emergency shall be considered to exist when unforeseen circumstances cause the need for immediate action, such as may occur in the event of a natural disaster or when a member of the child's immediate family dies, has an accident, or is required to appear in court.

3. Time spent with a parent/guardian or other relative as required by a court of law (Education Code 8208)
4. Time spent with a parent/guardian or other relative which is clearly in the best interest of the child (Education Code 8208)

An absence shall be considered to be in the best interest of the child when the time is spent with the child's parent/guardian or other relative for reasons deemed justifiable by the program coordinator or site supervisor.

Except for children who are recipients of child protective services or at risk of abuse or neglect, excused absences in the best interest of the child shall be limited to 10 days during the contract period. (5 CCR 18066)

Any absence due to a reason other than the above, or without the required verification, shall be considered an unexcused absence. After three unexcused absences during the year, the program coordinator or site supervisor shall notify the parents/guardians. Children who continue to have excessive unexcused absences may be removed from the program at the discretion of the program coordinator in order to accommodate other families on the waiting list for admission.

Parents/guardians shall be notified of the policies and procedures related to excused and unexcused absences for child care and development services. (5 CCR 18066)

(cf. 5145.6 - Parent Notifications)

Rights of Parents/Guardians

At the time a child is accepted into a licensed child care and development center, the child's parent/guardian or authorized representative shall be notified of his/her rights as specified in 22 CCR 101218.1, including, but not limited to, the right to enter and inspect the child care facility and the right to be informed, upon request, of the name and type of association to the center of any adult who has been granted a criminal record exemption. (Health and Safety Code 1596.857; 22 CCR 101218.1)

The written notice of parent/guardian rights also shall be permanently posted within the facility in a location accessible to parents/guardians. Notwithstanding these rights, access to the facility may be denied to an adult whose behavior presents a risk to children present in the facility or to noncustodial parents/guardians when so requested by the responsible parent/guardian. (Health and Safety Code 1596.857)

Records

The Superintendent or designee shall maintain records of enrollment, attendance, types of families served, income received from all families participating in the district's child care and development program, and any other records required by the CDE.
