When reviewing school attendance boundaries, the Superintendent or designee shall consider the following factors:

2. Socioeconomic, linguistic, and other demographic factors
3. Facility capacity and design, including potential commercial and residential developments
4. School feeder patterns, including maintaining, to the extent practicable, continuity of student attendance
5. Federal, state, or court mandates
6. Community input
7. Student safety
8. Transportation capacity
9. Community and neighborhood identity
10. Geographic features of the district, including traffic patterns
11. Educational programs, such as magnet schools and charter schools

12. Consistency between municipal boundaries and high school boundaries
13. Other factors

(cf. 5116.1- Intradistrict Open Enrollment)

(cf. 5117 - Interdistrict Attendance)

Students residing in a community facilities district shall have priority, to the extent provided by law, for attendance at schools financed in whole or in part by the community facilities district. The degree of

priority must reflect the proportion of each school's financing provided through the community facilities district. (Government Code 53312.7)

(cf. 7212 - Mello-Roos Districts)

In order to alleviate overcrowding, the Superintendent or designee may place some students in a school outside of their attendance area. Parents/guardians of students who are attending schools outside of their attendance area shall be notified of the school their child will be attending as soon as possible. If available, transportation shall be provided for such students.
